

TRAILBLAZERS NEWSLETTER

Spring is in the air and warmer temperatures are on the horizon, I hope. It has been a long winter and I know a lot of us are ready for it to be over. A lot of you may be planning vacations for warmer climates over spring break, so have fun and think of us back here at school. Have safe travels and enjoy your time off.

The sign up for spring break is up and many of you have already let me know your plans. Remember, if you will be using vacation that week; please send me an email so I can get it into billing. The schools on spring break the week Trailblazers is open (March 29-April 1) are Footprints, Valley Crossing, and District 833. So please keep us in mind and join us for a fun filled week of games, field trips, and excitement. If you need to know the schedule for spring break please visit our website at <http://trailblazersfpa.blogspot.com/> for all events or contact me with any questions. A permission slip will need to be signed for our field trips to Bielenberg Sports Center (Tuesday March 30th 12:45pm-3:25pm) and PINZ (Thursday April 1st 12:30pm-2:30pm). I have attached the permission slips to the email or see a staff member for one.

We have two additional school release days in March. On Thursday, March 11 and Friday, March 12 Trailblazers will be open for full day care for Footprints students. We will be open as usual for surrounding schools providing transportation. Our activities planned for those days are a Board Game Bash on Thurs. 3/11 and Make Your Own Pizza on Fri. 3/12. Please sign up on the gym doors if you will be joining us.

Cooking club was a blast for all of you that joined. I know Erin had many delicious recipes that all the kids loved, so make sure you let them put their hands to the test and make you a snack. Construction zone will run Mondays/Wednesdays from March 1st -March 24th. Some things that we will be doing are learning how to use a hammer, introduce an electric drill, sand paper, nails, and screws. We will also construct Popsicle stick creations, build picture frames, make wooden models, and some other fun things. We will also review safety and cool structures that we have seen.

Summer Camp Packets and Trailblazer 2010-2011 Packets are out. Please reserve your spot today. Our camps are for kids entering Grades 1-2, 3-6, and Junior Camp Counselors Grades 6-8. We have many fun filled field trips planned and other exciting activities. We will be discounting registration fees for families who sign up for both Summer Camp and Trailblazers. If you have any questions please contact me and I would be happy to help you out.

Travel safe to all of you who are planning a vacation over spring break. Only a few more months of school left, let's keep the year going strong.

Thanks!
