

TRAILBLAZERS NEWSLETTER

Trailblazers are off to a great start. The weather is starting to turn cold so make sure that all kids have appropriate clothing to go outside. We will try and get outside, at least for a bit, if the weather allows so we can burn off some energy after school. We will also be having more activities when we are inside that students can pick from; homework help, gym activities, and more clubs to come! Please look for updates and sign ups on the gym door or also on our trailblazers' blog at <http://trailblazersfpa.blogspot.com/>.

Football club has been an awesome time. The kids have enjoyed themselves and have learned a few techniques on catching, kicking, and passing. Soccer club will be starting on Monday, October 12 at 3:40-4:40. If you would like to join, please sign up on the gym door or see me. We already have some signed up but more are always welcome.

Trailblazers are also offering drop in care this year for families that need a place for their child before or after school. We will be charging \$13/hour for each kid that would need care. Please let me know ahead of time if at all possible. We are willing to work with you because situations do arise and to relieve the stress please see us so we can help out and provide a safe and fun environment where your kid are always be welcome.

Trailblazers will be open on Thursday, October 15th over MEA. We will be making Halloween masks. Please sign up or contact me if you want to join in the fun. The Trailblazer events calendar is online at www.footprintsacademy.com. All are welcome for school release days, please sign up in advance. Check it out and see all the activities we have planned and the days the trailblazers are open. We invite all of you to join us and can't wait to see you.

Please let me know if you have any questions or concerns. We are excited for the year and have enjoyed the first month of school. The kids have been doing a great job and have had a lot of fun.

Also, parents if you would like to help out with any clubs or field trips please let me know. I am always looking for volunteers to help with planning, coordinating, or assisting in activities. If you have an interest or talent I would love for you to let me know so we can use this to help the kids have a great year.

This year has started out great and I look forward to all the exciting activities in the future.

Thanks!
