

Agreement for Educational Services – 2010 - 2011 School Year

Thank you for choosing Footprints Academy. By signing below, you agree to the following terms.

Enrollment

The child or children listed below are enrolled in Footprints Academy for the 2010-2011 school year.

| Child's Name | Grade |
|--------------|-------|
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |

Tuition

Tuition will be \$_____ per child listed above. Tuition includes most field trips and school-day activities. The custodial parents are electing to pay tuition as follows:

- In one payment due on or before August 1, 2010.
- By three payments of one-third of the full tuition amount with payments due by August 1, 2010, November 1, 2010 and February 1, 2011.
- By monthly payments of one-ninth of the full tuition amount with payments due by the 1st of each month from August, 2010 through April, 2011.

Student to Teacher Ratios

Footprints Academy recognizes that parents select Footprints Academy because of its commitment to personalized instruction. Accordingly, Footprints Academy agrees that there will be a maximum of 19 children per teacher. Footprints Academy will have discretion to determine class size provided that it maintains the teacher – student ratio.

Commitment

By signing this agreement, you commit to enrolling the children listed above and to paying the tuition for those children. Because Footprints Academy reserves places for students based on this agreement, you will be required to pay the tuition even if you later decide not to have your children attend Footprints Academy. Because Footprints Academy has the flexibility to add additional children to its school, and configure classes differently, students accepted after a child withdraws will not be considered replacement students that release you from paying tuition. However, Footprints Academy will waive your tuition on a per child basis in the limited circumstance of your child withdrawing before the start of the school year, if you refer a child who had not previously applied to Footprints Academy, and that child meets qualification standards and enrolls in the grade in which your child would have attended.

In the event of Hardship, the parents may withdraw a child without being obligated to pay the full year of tuition if the parents pay tuition prorated based on the school day the child withdrew versus the number of yearly school days and pay an early withdrawal fee of \$750 since Footprints Academy incurred

curriculum and other costs based on the full-year commitment. Hardship is defined as parents not being able to afford tuition or reasonably transport the child to Footprints Academy because of a) a parent's job loss not including by resignation; b) involuntary reduction in household income of 25% or more; or c) the parents relocated 40 or more miles from Footprints Academy. Footprints Academy may require verification of Hardship.

Quality

Footprints Academy will always endeavor to meet its own high standards, and those of its parents and students. If you have suggestions to improve Footprints Academy, we encourage you to communicate with your child's teacher or Footprints Academy's Principal or Founder.

Policies and Procedures

To promote a safe and positive environment for learning, you agree to abide by Footprints Academy's policies and procedures, and to use all reasonable efforts to ensure that your enrolled children also comply with the policies and procedures. Footprints Academy will use all reasonable efforts to notify you of its policies and procedures including via its Student Handbook, website, and oral and written communications.

Credit Terms

Because Footprints Academy must pay its teachers, staff and expenses on a timely basis, Footprints Academy charges a late fee of \$25 per month on all invoices not paid on time. If the account becomes delinquent and Footprints Academy begins collection proceedings via litigation or other methods, you agree to pay Footprints Academy's collection costs and/or attorneys' fees. Footprints Academy also reserves the right to deny admittance to school if tuition is overdue.

General Terms

This Agreement will be governed by Minnesota law. The failure to use or assert any right under this Agreement is not a waiver of any right. This Agreement is the entire agreement between the parties with respect to the subject matter included in the Agreement. Therefore, it supersedes all prior agreements or statements relating to the subject matter in the Agreement. The Agreement may only be changed or superseded in writing signed by the custodial parents and Footprints Academy.

All custodial parents must sign below:
